New System Coming Soon!

The City of St. George is excited to announce a new communication system designed to keep you informed and safe during power outages, water leaks, and other planned maintenance. Starting in October, watch for a text message opting you in to receive alerts. If you do not have a textable number, please still update your contact information with a valid phone number to receive voicemail alerts from the City of St. George.

How to Report an Outage

Text or Call **(435) 627-4835** to report a power outage.

- Text **"START"** - Start receiving messages
- Text **"OUTAGE"** – Report a power outage
- Text **"WATER LEAK"** - Report a water leak
- Text **"STATUS"** – Receive the current status of a power outage
- Text **"STOP"** - Stop receiving messages

Update Your Contact Information Today!

Please scan this code with your smartphone camera or fill out the form and return to our office to ensure we have the best contact information for you. If you already have a cell phone on file with St. George, you will be automatically enrolled. You can text "STOP" at any time to opt out.
